Preachers Are Human, Says Norris Steele

"Preachers are human," the Rev. Norris Steele, pastor of the First United Methodist Church, told the Hope Rotary Club last Friday at the Town and Country in an amusing message titled, "Images." To illustrate his points the speaker told a number of humorous personal experiences, and his talk was well received.

Earl O'Neal arranged to have the speaker, and B.N. Holt introduced him. Club president C.R. "Dick" Moore welcomed two visiting Rotarians, John Hawkins of Texarkana and Alex Geddie of Camden. A short board meeting was held following the luncheon meeting.

Pearl Harbor Memorial Services

By THE ASSOCIATED PRESS
Memorial services are being conducted around the country today to mark the day—Dec. 7, 1941—that President Franklin D. Roosevelt said "will live in infamy."

Many were arranged by the 4,000-member Pearl Harbor Survivors Association, a 12-year-old organization for servicemen who were stationed on the island of Oahu or on a ship within three miles of the island the day Pearl Harbor was attacked by Japanese forces.

"We belong to a very exclusive organization," says Joseph J. Rahiya, 50, a member in Los Angeles. "And we hope there's never another one like it."

"Our purpose is to remind people that we let everything ride a few years ago and—boom! We get smacked right between the horns. We don't want anything like that to ever happen again."

Rahiya, now a security officer for Northrup Corp., was aboard the USS Oglala, flagship of the Navy's mine force, when the concussion from a Japanese torpedo burst its seams.

The Japanese attack killed 2,008 U.S. Navy men that day, 109 Marines, 218 soldiers and 68 civilians. Hundreds more were wounded.

The Oglala was one of nine Navy ships sunk. In the attack 188 American planes were destroyed. The Japanese lost 29 aircraft.

The Pearl Harbor Survivors Association has 75 chapters across the country, each meeting once a month to recall Pearl Harbor day.

Each year a national convention is held during the week of Dec. 7. This year the meeting is being held in New York City.

play may have been involved in Hughes' departure.

Though they had no warrant, the deputies searched all but Hughes' locked personal room before being asked to leave.

"On the basis of what we saw," Bell said, "we have as much reason to believe foul play was involved as that it was not."

He did not say what the officers saw and gave no further explanation.

Reports indicate that control not only of Hughes' \$300 million Nevada investment but of his entire \$2 billion industrial and financial empire may be at stake in the power struggle that surfaced here last week.

Pitted in the battle are executives of Hughes Tool Co. of Houston, Tex., the family firm on which he built his wealth, and the staff that handled his operations as the major figure in Nevada's legal gaming industry as well as the state's largest land owner and employer.

The Hughes Tool forces arrived last Friday, led by senior vice president Frank Gay and corporate counsel Chester Davis. They announced the firing of Robert Maheu, chief executive of Hughes' Nevada operations, and Jack Hooper, Nevada operations security director.

Maheu, 53, a former FBI agent, said he did not believe Hughes had ordered his firing and refused to give up control of Hughes Nevada operations.

He obtained a court order prohibiting interference with his stewardship.

Sources in the Hughes Tool faction said Maheu was fired at Hughes' direct order because he was not producing enough revenue on the Nevada investment.

KHRUSHCHEV (from page one)

even put my motion to a vote. He pushed a secret button which gave the signal to the generals who were waiting in the next room. (Marshal Georgi K.) Zhukov was the first to appear. Malenkov said in a faint voice to comrade Zhukov, "As chairman of the Council of Ministers of the U.S.S.R., I request that you take Beria into custody pending investigation of charges made against him."

Beria was shot six months later.

The account portrays Beria as a hypocritical schemer at Stalin's death bed in his country home near Moscow.

"Beria had started spewing hatred against Stalin and mocking him. It was simply unbearable to listen to Beria. But as soon as Stalin showed these signs of consciousness and made us think he might recover, Beria threw himself on his knees, seized Stalin's hand and started kissing it. When Stalin lost consciousness again and closed his eyes, Beria stood up and spat...."

The reminiscences also say that Alexei N. Kosygin, who succeeded Khrushchev as premier in 1964, came close to elimination by Stalin in 1949.

The old guard around Stalin as the time apparently feared Kosygin and two other Leninist leaders—A.A. Kuznetsov and N.A. Voznesensky—as rising stars in the party hierarchy and charges were brought against them. Kuznetsov and Voznesensky were eliminated.

"As for Kosygin, his life was hanging by a thread," the account says. "Kosygin was on shaky ground from the beginning because he was related by marriage to Kuznetsov. I simply can't explain how he was saved from being eliminated along with the others. Kosygin, as they say, must have drawn a lucky lottery ticket."

Although the Soviet press has published a repudiation of the memoirs over Khrushchev's signature, some sources in Moscow believe they were dictated by Khrushchev and the Soviet government let them out for publication abroad. According to this theory, the idea was to lay the basis for discrediting Khrushchev and the memoirs by getting them published before numerous factual errors could be corrected by reference to archival documents.

Farmer Is Expected to Resign

By JOHN STOWELL
Associated Press Writer
WASHINGTON (AP) — Evidence mounted today that James Farmer, highest ranking

black in the administration, would turn in his resignation personally to President Nixon. Reports persisted for months that Farmer was preparing to quit as an assistant secretary of Health, Education and Welfare. But, until today's meeting between Farmer and the President was announced, the former civil rights leader had issued detailed denials.

After word of the meeting was

made public Farmer changed to issuing terse no comments and the White House would neither deny nor confirm reports of the resignation.

Another seeming telltale sign was the preparation of a "farewell" party by fellow workers for Dec. 16, as well as word that Rodney H. Bradley, widely speculated as Farmer's replacement, had quit his job as a vice

president for Hughes Tool Co. A Hughes spokesman said Bradley, who is white, resigned to take a job in Washington.

Friends say Farmer, who joined the administration in February 1969, wanted to leave earlier but stayed on the job to avoid embarrassing the new HEW secretary, Elliot L. Richardson, who succeeded Robert Finch.

GOLDEN AGE CLUB MEETS

At a business meeting of the Golden Age Club on Thursday, December 3 in the Douglas Building, the following new officers for the coming year were elected: president, Mrs. Eva McKinney; vice-president, Mrs. Ola Smith; secretary-treasurer, Mrs. Dora Wortham; reporter, Mrs. Maxine Rowe.

Mrs. McKinney gave a devotion from the Ten Commandments, and the Rev. G.W. Hooten led in prayer. He also directed the group in singing "Let Me Call You Sweetheart." Joe Wilson won the door prize. After a group discussion, plans were made to have a Christmas luncheon, program and exchange of gifts on December 17. Then, in conclusion, refreshments were served to 17.

Garden Club Meets

At the Rose Garden Club meeting on Friday, December 4, Mrs. Gerald Trussell was the special guest speaker. She presented a poem, "Annie and Willie's Prayer," and a Van Dyke story, "The Elder Brother". Both were inspiring and put those who heard them in the right spirit for Christmas. The meeting was in the home of Mrs. Ned Purtle with Mrs. Jack Arnett, co-hostess. During a business meeting directed by the president, Mrs. Houston Gunter, it was decided to have the first meeting of the new year on January 8 instead of New Year's Day.

Pretty seasonal decorations were seen at vantage points in the home. Among these was the attractive tea table from which spiced cranberry punch, coffee, cake, nuts and mints were served to 14.

Friday Bridge Club

Mrs. R. E. Jackson was a guest of the Friday Bridge Club that met with Mrs. R. E. Cooper on December 4. Bronze mums and pyracantha berries decorated the home, where two tables of players enjoyed the afternoon.

When scores were tallied, Mrs. Jackson and Mrs. Tom Kinser were high. A dessert plate was served with coffee and cold drinks.

Coming, Going

Rev. and Mrs. Elbert O'Steen have returned from a weeks visit with Mr. and Mrs. Howard Sheppard and daughter, Jill in Hendersonville, Tenn. Mrs. Sheppard, the former Dewanna O'Steen, is a private consultant of interior design and is teaching a course in this field at the Hendersonville High School for adult education program.

VACCINATIONS (from page one)

children, then, is crucial to the success of the campaign.

German measles is usually a mild, easily treatable disease. But when it attacks women during pregnancy, its effect on their unborn children is often tragic. In addition to miscarriages and infant deaths, it can cause blindness, deafness, brain damage and malformations of the heart, bond and liver.

A National Foundation-March of Dimes report estimates that in the last (1964) major epidemic, German measles caused abnormal pregnancies in 50,000 women, killed 30,000 unborn babies. The 20,000 who survived were afflicted by a variety of birth defects.

Epidemics usually occur six to nine years apart, so another should be on its way soon. This time, though, thanks to newly developed vaccine, we can help prevent a repetition of the 1964 tragedy. Medical authorities stress that the mass immunization of children is by far the most effective way of achieving that result.

Would Protect Consumers

LITTLE ROCK (AP) — Atty. Gen. elect Ray Thornton says he will ask the General Assembly for consumer protection laws and the authority for his office to enforce the laws.

Thornton said the problem with the current laws is that there is no adequate means for enforcing the laws.

Thornton said he would like for his office to have the authority to bring legal action against such firms, but he said he hopes most of the violators would comply with the laws without legal action.

CYNTHIA CREWS

MAGNOLIA—Cynthia M. Crews, daughter of Mr. and Mrs. Paul McCormack of Route one, Hope, was among 29 nursing students awarded their graduate nurse pins at a pinning ceremony in the Central Baptist Church here Dec. 5 at 6 p.m. The public is invited.

Mrs. Crews is a member of the first class to complete studies Dec. 18 for the two-year nursing program begun by Southern State College in January 1969. The graduates, who will receive their associate in science degrees in nursing with the spring graduating class next May, will be eligible to write the State Board examination for Registered nurses, according to Mrs. Pat Williams, SSC nursing director who will pin the graduates.

Dr. John H. Wilson, Magnolia physician and chairman of the college board of trustees, will be guest speaker at the ceremony.

Mrs. Crews, wife of Jesse E. Crews, of Garland City is a 1968 graduate of Spring Hill and junior nursing major at Southern State, where she has held a nursing scholarship and is first vice-president of the Nursing Club.

Consumer Booklets Are Issued

By G. DAVID WALLACE

Associated Press Writer

WASHINGTON (AP) — The

Department of Commerce has issued the first consumer guides based on a Nixon administration survey of product information in the government.

The three booklets describe in general terms the characteristics of different types of adhesives, tires and fabrics.

The booklets contain no brand-name information. When President Nixon signed a pre-election executive order providing for the release of some government-held product information, Consumers Union and other organizations expressed disappointment that no specific brand-name information was released.

"Although specific products are not identified by brand name, National Bureau of Standards research nonetheless produces information of significant value to any consumer who will take the time to investigate before he invests," said Secretary of Commerce Maurice H. Stans in releasing the new booklets.

HELEN HELP US!

by Helen Bottel

YOUTH ASKED FOR IT!

This column is for young people, their problems and pleasures, their troubles and fun. As with the rest of Helen Help Us!, it welcomes laughs but won't dodge a serious question with a brush-off.

Send your teenage questions to YOUTH ASKED for it, care of Helen Help Us! this newspaper.

ARELATIVELY TOUGH QUESTION

Dear Helen: I have never written to a columnist before, but your letters on the confusing "Who's Who" in marriages reminds me of myself.

My husband's real mother died when he was small. His father's aunt raised him as her own, and he always called her "Mom," though she was really his great-aunt.

Well, she had a daughter, who became my father's wife — my stepmother ... who called my husband her brother. So — my father and I have the same mother-in-law. My father is my husband's brother-in-law, and my stepmother is his sister. (My husband is my uncle???)

We've learned to live with this, but it's hard trying to explain the relationships to our children.

But do you think it's right for my stepmother, when she introduces us to perfect strangers, to say, "I would like you to meet our daughter and my brother, Mr. and Mrs. S." We get very strange looks, and even if we try to explain, we only make it worse.

Inasmuch as my husband was never legally adopted by his great-aunt, couldn't she just say "our daughter and son-in-law"? (Except she won't!)

She's another problem in herself, but we won't go into that! — TEASED "NIECE" Dear Niece:

Inasmuch as your step-mother enjoys confusing people, why not come back with a smile and a quip that may stop her cold: "Well, Mother, that's what you get for marrying your brother's father (in-law)." (Especially if you say "in-law" under your

breath.) — H.

Dear Helen:

Please tell us again the difference between second cousin and cousin-once-removed. -- W.T.K.

Dear W.:

After the first item in this column, your question is "relatively" simple: Children of first cousins are second cousins. A cousin-once-removed is your first cousin's child. Another way to put it — second cousins are of the same generation, while cousins-once-removed are separated by one generation. — H.

Dear Helen:

Again this year we read horror stories about the awful tricks played on Halloween trick-or-treaters, supposedly by adults who resent their "begging." Poisoned candy, razor blades and pins in apples, even shot gun blasts and oil or acid thrown on kids who come to the door — these things can frighten parents into padlocking their children inside on that traditional night.

I wonder how much of this is true and how much hearsay? Would people really risk being prosecuted or exposed as "inhuman child torturers" just because they're basically mean?

After all, those apples can be traced. If children become sick on adulterated candy, you'd better believe everyone on the block will be investigated.

We tend to believe everything

we hear — and often it gets into print because reporters don't take time to check. I for one would like to read a follow-up story about the atrocity items which came out the day after Halloween. (Bet we'd learn things aren't as bad as they seem!) — DOUBTFUL Dear Doubtful: Itoo.

Which reminds me of a wrathful letter I received about eight Halloweens ago, from a mother whose daughter was given "burning hot pennies." I printed the letter, with condolences, and discovered from my more informed readers that "warm pennies were for luck," an old Scotch custom. — H.

PharmacyBoard Agrees to Drug Plan

LITTLE ROCK (AP) — Dr. Dale Cowling, minister of the Second Baptist Church in Little Rock, said Sunday he was "pleased" that the state Pharmacy Board had agreed to find a workable means to keep the church's Christian Medical Clinic in College Station in operation.

A controversy had arisen earlier over the dispensing of free drugs to indigent persons from a facility not licensed to handle drugs according to state law.

Eugene Warren, attorney for the board, said the board met Sunday not only in concern for Cowling's free clinic, but for other such clinics that may begin operation in the future.

Longhorns Lamblast Razorbacks

By HARRY KING
Associated Press Writer
LITTLE ROCK (AP) — The Arkansas Razorbacks choked to death on a wishbone at Austin, Tex., Saturday.

Operating from the wishbone, Texas crammed helping after helping of Steve Worster, Jim Bertelsen and Eddie Phillips down the Razorbacks' throat.

Result — Big Shootout II turned into a massacre: Texas 42, Arkansas 7. It was Arkansas' worst defeat in Frank Broyles' 13 years at Fayetteville.

"Texas overpowered us in every phase of the game," Broyles said. "We got a good country kicking from a great team. They deserve their national ranking (No. 1)."

The Longhorns gouged out 464 yards on the ground against a defense that ranks third in the country against the rush. Bertelsen (189), Worster (126), and Phillips (68) accounted for 383 yards.

"The big thing in the ball game was that Texas was so strong in their blocking, we were always trying to stop them for four yards and many times we didn't," Broyles said. "Give Texas credit for great execution against our defense."

Broyles said Texas' obvious readiness may have stemmed from last year's 15-14 victory over Arkansas at Fayetteville. Several Texas players said Saturday they had been told they were lucky to have won in 1969 and they were out to prove that victory was no fluke.

"We felt like we might have had a better football team this year and we were sold that we could do the things we did last year with a few variations," Broyles said. "When they broke down, our morale dropped. We couldn't stop them with the basic things for or five yards so we had to gamble and try to stop them for one or two yards and the score mounted."

Broyles said he talked with his assistant coaches after the game and they agreed that the Razorbacks prepared for too many things "just in case."

"Because of this, we were not as aggressive on defense as we should have been," Broyles said.

PITTSFIELD, Mass.—Eddie Spence, 171, Pittsfield, knocked out Paul Kasper, 179, Portland, Maine, 8.

PANAMA—Orlando Amores, 115, Panama, outpointed Korge "Alacran" Torres, 115½, Mexico, 10; Enrique Pinder, 117½, Panama, outpointed Pablo Vega, 116½, Mexico, 10.

Arkansas' failure to score on four tries from inside the Texas three in the second quarter as the turning point of the game, but Broyles said the Longhorns opening drive was a "major factor."

He said the Porkers never "fully recovered" from the touchdown drive that covered 76 yards and gave Texas a lead that it never relinquished.

"The first drive did a lot to hurt us," Broyles said. "Also the first two times we had the ball we didn't make a first down and that hurt."

A 22-yard screen pass to Jon Richardson, who proved to be a cool performer, reached the Texas three in the second quarter and on first down Richardson drove to the one. Broyles then sent in tailback Bill Burnett, who set a Southwest Conference career scoring record of 300 points before suffering a shoulder separation against Texas A&M on Oct. 31.

Two tries by Burnett netted no gain and on fourth down quarterback Bill Montgomery was stacked up short of the goal line as he tried to burrow over.

"Burnett had been so effective on the goal line that it was hard to keep him out," Broyles said. "It was obvious, however, that he wasn't ready."

The crowning blow came when Texas took over and marched 99 yards for a 21-7 lead.

The crowning blow came when Texas took over and marched 99 yards for a 21-7 lead.

In the second half, Texas knew Arkansas would have to throw to catch up and could afford to rush hard, almost disregarding the run. The fact that the Longhorn linebackers could drop off bolstered the Texas pass defense and the situation kept getting worse.

Broyles did not mention injuries to Burnett and fullback Russ Garber until asked and never attempted to blame the loss on their lack of effectiveness.

For the senior on the Arkansas football team, Saturday's loss as something less than a glorious ending to a glorious three years.

Broyles said the seniors had presented him with "one of the most rewarding experiences of his career. He said their departure "will create a deep, deep vacuum in my life."

"It's been a glorious three years ... winning 28 varsity games and losing five," said Broyles. "Texas had three great football teams when we had three great football teams. If the people of Arkansas think anything less about these seniors, they're doing them an injustice."

LSU Really Lays It on Ole Miss

By HERSCHEL NISSENSON

Associated Press Sports Writer
The struggle for college football's national championship will be contested New Year's Day on the battlegrounds of Dallas, Pasadena and Miami.

The contenders are Texas, 10-0; Ohio State, 9-0, and Nebraska, 10-0-1, ranked 1-2-3 in last week's Associated Press poll and certain to maintain their standings in this week's final regular season balloting.

The regular season drew to a close Saturday with top-rated Texas crushing fourth-ranked Arkansas 42-7 to win another Southwest Conference championship and a trip to the Cotton Bowl against once-beaten Notre Dame.

In an even more amazing rout, defensive-minded and eighth-ranked Louisiana State, with its entire season on the line, blasted No. 16 Mississippi and Archie Manning 61-17. That gave the 9-2 Tigers the Southeastern Conference crown and a berth in the Orange Bowl against Nebraska.

Ohio State will do its fighting in the Rose Bowl against 8-3 Stanford and Heisman Trophy winner Jim Plunkett.

In other games Saturday, fifth-ranked Tennessee rallied to beat UCLA 28-17. No. 9 Arizona State squeaked past Arizona 10-6 to complete the regular season unbeaten in 10 games. Houston drubbed Miami of Florida 36-3 and Tulsa downed North Texas State 26-20.

The rest of the bowl picture finds Tennessee and Air Force in the Sugar Bowl, Mississippi and Auburn in the Gator Bowl, Georgia Tech and Texas Tech in the Sun Bowl, Alabama and Oklahoma in the Astro-Bluebonnet Bowl, Colorado and Tulane in the Liberty Bowl, Louisville and Long Beach State in the Pasadena Bowl and Toledo and William & Mary in the Tangerine Bowl.

Despite the size of their victories, Darrell Royal of Texas and Charlie McClendon of LSU had their worrisome moments.

"One minute, we were scared to death—at the next moment we were confident and determined," said Royal. "My emotions were like a yo-yo all week long. I'd have been delirious to dream we could beat Arkansas this bad. I'd hate to go back and try to do it again."

Although the mighty Texas Wishbone-T triple option attack churned out 464 yards, with Jim Bertelsen getting 189 yards and three touchdowns and Steve Worster notching 126 and scoring twice, Royal said the turning point was at the goal-line in the second period with the Longhorns clinging to a 14-7 lead.

After Texas held three times inside the one-yard line, the Longhorns took off on a 15-play, 99-yard drive that gave them a score.

"They just overpowered us in every phase," said Arkansas' Frank Broyles.

Texas reeled off scoring marches of 76, 83, 99, 46, 60 and 48 yards.

LSU, meanwhile, disdained sustained drives and whopped Ole Miss on long runs by Tommy Casanova, Craig Burns and Art Cantrelle. Casanova returned punts 73 and 61 yards for touchdowns. Burns lugged a punt 61 yards and Cantrelle romped 51 yards from scrimmage.

With Manning making his first appearance since suffering a broken left arm Nov. 7, and a protective device padding the injury, the Rebels took early leads of 7-0 and 10-7 before a 48-yard pass from Buddy Lee to Andy Hamilton put LSU in front for good.

UCLA apparently had Tennessee when Ron Carver ran 85 yards with an intercepted pass for a 17-14 lead, but the Vols retaliated with a 67-yard drive in seven plays. Curt Watson blasting 19 yards up the middle for the winning score. Don McLeary then plunged a yard for an insurance touchdown.

Arizona State overcame five fumbles and a scoreless first half to beat Arizona on Joe Spagnola's scoring pass to J.D. Hill and Don Ekestrand's field goal.

Elmo Wright added to his national record with his 34th touchdown catch as Houston bombed Miami. And North Texas became the losingest team in the school history—3-8—by bowing to Tulsa.

Bruins Again Seem on Way to a Title

By TOM SALADINO

Associated Press Sports Writer
Coach John Wooden of the top-ranked UCLA Bruins had to discipline two of his stars but the punishment wasn't nearly enough for the Rice Owls.

The power-laden Bruins had to do without their high-scoring pair of Sidney Wicks and Curtis Rowe for a little over 10 minutes when Wooden benched the pair for being 15 minutes late for a pre-game meal and practice Saturday night.

When Wicks and Rowe did see action they hungrily led the Bruins to a devastating 124-78 thrashing of the defending Southwest Conference champion Rice Owls.

"I know the boys were disappointed," Wooden said. "But it was a matter of discipline. It was nothing personal. I've forgotten the incident already."

The Bruins, 2-0, were trailing 28-24 with 9:45 left to play in the first half when Wicks and Rowe entered the game.

Rowe poured in 12 points and snared six rebounds while Wicks blocked three shots and scored four points and the defending national champion Bruins took a 52-43 halftime edge.

Wicks threw in 25 of his 29 points in the second half and Rowe added 15 points as UCLA virtually blew Rice off the court.

The second-ranked South Carolina Gamecocks edged No. 5 Notre Dame 85-82 behind the 32 points of John Roche. Austin Carr had 27 for the Irish.

Third rated Kentucky topped Michigan 104-93; Marquette, No. 6, downed St. Louis 95-72; No. 7 Southern California edged San Francisco 83-80 in two overtimes; eighth-ranked Villanova beat Princeton 81-75 in overtime; No. 9 Western Kentucky swamped California Davis 88-65 and No. 10 Drake ripped Fullerton State 101-57 in other games involving Associated Press' Top Ten teams.

In the Second Ten, No. 11 Penn beat Navy 59-45; No. 12 Utah State whipped Utah 94-77; Duke, No. 13, was upset by Virginia 75-70; No. 14 Kansas stopped Eastern Kentucky 79-65; 15th-ranked New Mexico State beat Trinity, Tex. 100-69; No. 16 Indiana edged Kansas State 75-72; Tennessee smashed No. 17 Houston 79-58; No. 19 North Carolina State also lost, 91-85 to Auburn; and No. 20 St. Bonaventure drilled DePaul 79-68.

Five Wildcats scored in double figures, led by Mike Casey's 25 as Kentucky stopped Michigan. Earlier in the week the Big Ten team also lost to Notre Dame 94-81.

Bob Lackey tossed in 27 points and Dean Meminger added 24 as Marquette outclassed St. Louis for their 43rd consecutive home-court triumph.

Chris Ford scored three baskets in overtime to pace Villanova over a fine Princeton team while Southern Cal needed Chris Schreibilgen's 15-foot jumper at the buzzer to tie San Francisco after the first overtime then hit a basket to put the Trojans ahead to stay in the second session.

Jim McDaniels pumped in 34 points in Western Kentucky's victory and Jeff Halliburton poured in 30 points in Drake's triumph.

Dave Wohl helped Penn with his game-high 20 points for Virginia's upset over Duke.

Kansas, with a late comeback sparked by George Bryant's 24 points, overtook Eastern Kentucky; Jim Davis had 24 points in New Mexico State's victory; George McGinnis hit 11 straight points in the second half, helping Indiana snap Kansas State's 17-game home court winning streak and Jim England's 21 points led Tennessee's rout of Houston.

John Mengelt scored 31 of his 45 points in the second half, pacing Auburn to its upset over North Carolina State and Matt Gantt led St. Bonaventure, scoring 16 points and grabbing 21 rebounds.

In Sunday's games, Hofstra nipped Southampton 60-57 to win the Colonial Classic while Wilkes, Pa., routed Pratt 75-57 in a consolation game.

Garrett Is Winner at Coral Spgs.

By BOB GREEN

Associated Press Golf Writer
CORAL SPRINGS, Fla. (AP) — Big Bill Garrett is a first time victor. Lee Trevino is the leading money winner. And Arnold Palmer still is looking.

"I was so nervous I could hardly walk when I started out," the gangling, drawling Garrett said of his final round 69 that won the \$25,000 first prize in the Coral Springs Open Golf Tournament Sunday.

He hadn't even come close to winning before. His best finish this year had been a tie for 18th. The best in his five-year pro career was a seventh last season. He had won only \$8,300 going into this tournament.

But the 6-foot-6 Texan conquered his nervousness, held off the frustrated Trevino and finished with a 72-hole total of 272, 12 under par on the 6,843 yard Coral Springs Country Club course.

Trevino, tied for the top spot going into the final round, just couldn't get it going, shot a par 71 and tied for third at 274.

But Trevino picked up \$7,350 and moved past idle Billy Casper and Jack Nicklaus into the No. 1 money winning spot with \$147,522.

"I'd like to be the leading money winner," Trevino said, "even though everybody knows I'm just making money for Uncle Sam now."

"I could have won the tournament, but I just couldn't make a putt."

Palmer had the same complaint, even though he had a 66 for 276.

"If I had made some putts, I'd have been in contention," Palmer said, then immediately filled an entry for this week's Bahama Islands Open, the last event on the schedule this season and Palmer's last chance at keeping alive his record of having won at least one tournament a year ever since 1955.

Bob Murphy, five strokes off the pace going into the final round, charged in with a sparkling 65 and took second at 273, one stroke back of Garrett. Rookie Vic Loustalot, with a 66, tied Trevino at 274 and Julius Boros was alone at 275 after a 70.

Garrett, a 30-year-old North Texas State graduate, made his round with a string of three consecutive birdies starting on the third hole, but said a couple of desperately scrambling pars on the first two holes was the key.

The big, lachrymose, moon-faced guy from Amarillo, Tex., had never been in this position before when he went to the first tee.

Bonavena, Ali Fight in Showdown

By ED SCHUYLER JR.
Associated Press Sports Writer
NEW YORK (AP) — Muhammad Ali takes another step in his bid for a showdown with heavyweight champion Joe Frazier when he meets tough Oscar Bonavena tonight in his first New York fight since 1967.

Frazier is scheduled to sing tonight with his rock groups in the Catskills, bidding his time for the greatest one-night stand in boxing history—a possible \$7 million title match with Ali.

Ali is a 6-1 favorite to beat Bonavena, probably the last stumbling block to a fight with Frazier in February.

The scheduled 15-rounder is set for 10:45 p.m., EST, and will follow a 10-round non-title bout between lightweight champion Ken Buchanan of Scotland and Donato Paduano of Montreal.

A crowd of about 19,000, paying an estimated \$650,000, is expected in Madison Square Garden.

The fight, Ali's second since being deposed as heavyweight king, will be shown on closed-circuit television and beamed to 42 foreign countries but will not be broadcast on radio.

The closed-circuit telecasts, handled by Top Rank, Inc., will be seen at 175 locations, including New York, in the United States and Canada with a seating capacity of 1 million.

Ali, also known as Cassius Clay, is guaranteed \$200,000 against 42½ per cent of all receipts. Bonavena gets \$100,000 against an option of 22½ per cent.

The fight will be Ali's first in New York since March 22, 1967, when he knocked out Zora Foley in a title defense. He then was stripped of his championship because of a conviction for refusing induction into the military service, and went into a 3½-year exile from the ring that ended with his fight with Jerry Quarry six weeks ago.

Vikings Win Central Division

By PAT THOMPSON
Associated Press Writer
MINNEAPOLIS-ST. PAUL (AP) — Bob Lee probably would never have gotten a chance this year had Joe Kapp decided to accept a National Football League contract offer from the Minnesota Vikings.

But Kapp held out for more money, was traded to the Boston Patriots and the red-haired Lee was ready when starting quarterback Gary Cuozzo sprained his right ankle.

Lee made his first NFL start a successful one Saturday against the Chicago Bears, throwing 33 yards to John Henderson for the tie-breaking touchdown in a 16-13 Minnesota victory.

The Vikings, 10-2, won the Central Division title in the National Football Conference and earned the right to host a semi-final playoff game Dec. 26 or Dec. 27.

Lee, in his third year with the Vikings after serving as the punter and third team quarterback, completed five of 12 passes for 92 yards without an interception.

There were other heroes in the 9-degree temperatures and 40 mile-per-hour gusts.

Running back Dave Osborn carried 29 times for 139 yards.

Lamonica Saves Game, Blanda Helped

By KEN RAPPOPORT
Associated Press Sports Writer
So now Darlyle Lamonica is playing the role of Miracle Worker for Oakland's Minute-men, pulling a football game out of the air.

But you'd probably know that the old master—George Blanda—had a hand in it.

Blanda came off the bench in typical fashion to revive listless Oakland with a touchdown pass, then Lamonica threw a scoring strike at the last second to give the Raiders an unbelievable 14-13 National Football League victory over the New York Jets Sunday.

"God's on our side," said Blanda, pro football's most famous backup quarterback with a string of single-handed saves this year.

You'd have to believe his pronouncement after Warren Wells latched onto Lamonica's 33-yarder in traffic and carried it in for the winning score.

"I kept sight of the ball all the time," said a joyful Wells. "When I saw that it was going to fall short, I slowed up because I didn't want to let the defensive men get it. When I saw that it was tipped, I still kept my eyes on it, although I was losing my balance."

The victory kept Oakland tied with Kansas City, a 16-0 conquerer of Denver, in the American Conference's tight Western Division tangle. Both have 7-3-2 records and will meet next Saturday in a showdown battle.

Other Sunday results didn't do anything to settle the other division fights, either.

The National Conference East was thrown wide open after the New York Giants trimmed Buffalo 20-6, Dallas crushed Washington 34-0 and circuit-leader St. Louis fell to Detroit 16-3. The Cardinals, 8-3-1, lead that struggle by a mere half-game over the Giants and Cowboys, both 8-4.

The Cards and Giants try to settle matters in a match next Sunday.

Los Angeles ripped New Orleans 34-16 and stayed even with San Francisco, a 24-20 winner over Atlanta, in the scorching NC West. Both have 8-3-1 marks.

Baltimore, 9-2-1, stubbornly clutched a 1½-game margin in the AC East over Miami after slapping Philadelphia 29-10. Miami, 8-4, outlasted Boston 37-20.

Cincinnati 6-6, won its fifth straight by beating San Diego 17-14 and pulled into a half-game lead in the AC Central Division. Pittsburgh, 5-7, dropped to third after losing to Green Bay 20-12. Cleveland, 5-6, the runnerup in that circuit, plays at Houston in the weekly Monday night game.

The Minnesota Vikings have already clinched the NC Central.

Blanda, who provided four victories and one tie in previous relief appearances, came into Sunday's game with the Jets holding a 10-0 third quarter lead and Lamonica temporarily sidelined with bruised ribs.

The 43-year-old magician hit Fred Biletnikoff with a seven-yard pass, then was roughed by Jet tackle John Elliott on a penalty that moved the ball to the 13. Blanda then put the ball in Wells' hands for a 13-yard TD strike.

The Raiders, trailing 13-7, regained the ball on their 30-yard line with 38 seconds left. Lamonica then passed incomplete to Wells.

But—hold on—Jet defender Earle Thomas was called for interference, setting the ball on the 33 and setting the stage for Lamonica's desperation heave to Wells.

PS: Blanda kicked the winning extra point.

Ed Podolok rambled 65 yards for a touchdown on the second play from scrimmage and Kansas City slammed the door on

Denver with an unyielding defense. Podolok's TD burst with 47 seconds gone was all the Chiefs needed.

The Giants, admittedly flat for Buffalo while looking ahead to St. Louis, went into the half-time dressing room behind 6-3. Then a 62-yard second half kickoff return by Les Shy drummed life into New York, and quarterback Fran Tarkenton steered two late TD drives.

Walt Garrison whistled through defenseless Washington for two scores as Dallas held the high-scoring Redskins to their first regular season shut-

out in nine seasons. Errol Mann kicked field goals after Detroit pounced on three first-half St. Louis fumbles, then Mel Farr sewed it up with a 28-yard touchdown jaunt for the Lions.

Roman Gabriel unfurled two touchdown strikes, Les Josephson broke through for two more overland and Tom Dempsey spiced Los Angeles' scoring with three field goals.

Ken Willard scored San Francisco's last two touchdowns, leading a comeback victory over Atlanta.

Baltimore turned two inter-

ABILENE, Tex. (AP)—Hardin-Simmons got double-figure scoring from four players and used an eight-point spur late in the game to defeat Arkansas 112-96 in a nonconference basketball game here Saturday night.

Ray Williams led all scorers with 29 points for Hardin-Simmons, now 2-0 for the season. Steve Loos hit 23, Dave DeHoff

had 21 and Cliff Harris scored 19 in support. Vernon Murphy and Almer Lee each hit 25 for Arkansas, now 0-2.

Hardin-Simmons led 60-48 at halftime but Arkansas pulled to a 91-89 deficit with 6:27 to play in the second half. That's when Harris hit two buckets and Loos and Martin each contributed one to put down the threat with a 99-90 edge.

"Lagnappe" is from Creole dialect, originally popular around New Orleans, and means something a little extra, added to "sweeten" a bargain or a deal.

Red Wings Losing Games and Players

By THE ASSOCIATED PRESS
As if losing games isn't bad enough, the Detroit Red Wings keep losing players, too.

For the second time in two nights, the Wings had a player carried off the ice this time it was goalie Roy Edwards, who hit his head on the ice when he was jammed into by Craig Cameron of the St. Louis Blues.

Edwards was hospitalized for examination and the initial diagnosis was a mild concussion, while the Blues went on to a 4-2 victory, their second over the Wings in two nights. The night before, defenseman Larry Brown was taken away with an injured back.

In other National Hockey League games, Phil Esposito was up to his old tricks, leading Boston to a 6-3 victory over Pittsburgh; Buffalo blanked Minnesota 1-0 behind Roger Crozier, the New York Rangers pounded Vancouver 4-1 and the Chicago Black Hawks whopped Toronto 6-2.

Edwards and Brown joined regulars Gordy Howe, Gary Bergman and Dale Rolfe on the sidelines for the brittle Wings, and the Blues took advantage of their absence.

Edwards gave up three goals, including one to Cameron on the play in which he was injured, and relief goalie Don McLeod yielded the fourth tally. Red Berenson scored once and assisted twice for the Blues, who have beaten Detroit three times this season and snapped the Wings five-game unbeaten string at home.

Boston clung to its one point lead over New York in the East Division as Esposito registered his third hat trick of the season and became the league's first 20-goal man this season. Seeking to regain the scoring title he lost to teammate Bobby Orr last year, Esposito now has 22 goals and 27 assists for 49 points.

Crozier kicked off 24 shots to protect a goal given him by Ron Anderson less than two minutes after the game began. It was his first shutout of the season.

Bob Nevin scored once and assisted on another goal and Pete Stenkowski had two assists as the Rangers built a 4-0 lead for goalie Gilles Villemure.

Bobby Hull came within two seconds of tying the league record for the fastest goal when he whipped in a 20-footer after only nine seconds for Chicago, and Pit Martin added three more goals as the Black Hawks extended their unbeaten string at home to 14 games.

Cavaliers Finally Win a Game

By THE ASSOCIATED PRESS
Fortunately for the Cleveland Cavaliers, they came into the National Basketball Association this season with two other expansion teams. Without them, the Cavaliers would be lost-very, very lost.

In 29 games thus far, the Cavaliers have won only two times, and both were against fellow expansion teams. The latest was Sunday night when Cleveland held on to beat the Buffalo Braves 108-106.

After rolling up a record-tying 15-game losing streak at the start of the season, the Cavaliers broke the ice against Portland, and this latest shocker halts a 12-game spin.

In other NBA games, Baltimore whipped the Cincinnati Royals 126-118, Phoenix edged past San Diego 108-102 and Los Angeles tripped Portland 131-120.

In the American Basketball Association, Carolina stopped the New York Nets 94-90, the Floridians topped Utah 118-115, Texas outscored Pittsburgh 129-125, Kentucky outlasted Denver 140-125 and Virginia defeated Memphis 132-124.

Cleveland almost let No. 2 get away after taking an 18-point lead in the second quarter in a game in which the lead changed 20 times and that was tied 14 times, including three times in the last three minutes. Johnny Warren's basket finally put the Cavaliers ahead to stay at 104-102 with 27 seconds left.

Walt Wesley had 33 points for the Cavaliers, while Bob Kauffman hit a career high of 40 points for the Braves.

HERE ARE SOME of the more than 200,000 children orphaned by East Pakistan's cyclone and tidal wave disaster. They're waiting for food on Bhola Island. So far, American helicopters have flown more than 300 missions carrying 141 tons of food and relief supplies.

Arkansas Runner Ties World Mark

BERLIN, Germany (AP) — Thomas Hill, star hurdler for Arkansas State University, has tied another world record in the hurdles.

Hill ran the 60-meter high hurdles in 7.5 seconds in the Berlin invitational indoor track meet here Friday night to tie the record.

Hill tied the world record of 13.2 seconds last year in the 120 yard high hurdles. Also last week while on his European tour, Hill ran the 50-meter high hurdles twice in 5.9 seconds, which is one-tenth of a second off the world record.

Hill is scheduled to run Tuesday night in the Liberty Bowl track meet in Memphis.

Ford, UAW Hope to Beat Deadline

By A. F. MAHAN
Associated Press Writer
DETROIT (AP) — Bargainers for Ford Motor Co. and the United Auto Workers Union negotiated through the night in hopes of winding up a new three-year contract for 166,000 workers before today's midnight strike deadline.

The marathon session began at 11 a.m. Sunday.

UAW and Ford personnel ranging from public relations men to photographers waited nearby—a traditional sign an announcement is in the offering.

The UAW hoped to match or better the pact it won with General Motors Corp. last month following a 67-day strike.

The UAW's 200-member Ford Council was scheduled to meet later today. If a tentative agreement is reached, the council must vote on whether to recommend that the rank-and-file ratify it.

Sources said a major hangup was whether to make the new contract retroactive to Sept. 14, thus giving Ford workers an additional \$20 million in pay.

Ford had offered a retroactive increase of 26 cents hourly for the last 60 working days, which would give workers an additional \$124.80 each.

The union demanded that the total first year pay increase be retroactive. If placed at 51 cents hourly, as in the GM contract, it would mean each worker's retroactive check would be \$244.80.

In the GM settlement, the average autoworker's hourly wage was increased to \$4.53, the ceiling was removed on the cost-of-living wage escalator, and early retirement benefits were added.

Ford and Chrysler Corp. were given strike immunity when their contracts expired Sept. 14 while the UAW conducted its strike against GM for a pattern-setting agreement.

No strike deadline has been set for Chrysler or for Ford's Canadian operation.

The prospect loomed that some Ford plants might be closed, despite any national agreement. Sources said that some union locals which had failed to reach at-the-plant agreements might walk out at midnight whatever happened at the main bargaining table.

By early today, 67 of 99 local bargaining units had reached agreements.

Vaccinations for Measles Dec. 9-10

On December 9 and 10 Hempstead County joins the campaign to protect expectant mothers against one of the most feared killers and cripples of unborn children, German measles. Clinics throughout the county and city will offer vaccinations to all children between the ages of one and ten. Sponsored by the Hempstead County Medical Society, the Junior Auxiliary, the schools of Hempstead County and the PTA, the project is directed by the State Health Department.

In recent years German measles has probably afflicted more children than have scarlet fever, polio, regular measles, chickenpox and mumps combined. Infants and young children—from kindergarten to fourth grade—are the most common spreaders of the disease. Mass immunization of

Cambodian Battalion May Be Lost

By JOHN T. WHEELER
Associated Press Writer
PHNOM PENH, Cambodia (AP) — North Vietnamese and Viet Cong troops may have decimated a Cambodian battalion and captured a district headquarters it was defending 37 miles northeast of Phnom Penh, the Cambodian command said today.

Pilots flying air support had been unable to establish radio contact with the defenders at Peam Chikang since late Sunday, a spokesman said. At that time, he reported, heavy losses had been incurred by both sides in a day of fighting.

The government has been unable to resupply the embattled district headquarters or evacuate casualties, the spokesman said, because mechanical failures have grounded all its helicopters.

The assault on Peam Chikang began Saturday night with a mortar barrage, then Cambodian fighter-bombers were called in against attacking ground troops.

In Phnom Penh, terrorists made a grenade and pistol attack on an army headquarters in the heart of the capital, apparently trying to kill some high-ranking officers. Seven persons were reported wounded, including two soldiers, and a military spokesman said three terrorists—including a Viet Cong—were captured.

Six Persons Killed on Highways

By THE ASSOCIATED PRESS
Six persons were killed in traffic accidents on the Arkansas highways during the week-end period. The Associated Press death count began at 6 p.m. Friday and ended at midnight Sunday.

The latest victim, John Benjamin Howard Jr., 20, of Arkadelphia, was killed Sunday night in a head-on collision on Interstate 30 about four miles south of Little Rock. State Police said Howard's car was traveling south in a southbound lane when it was struck by a northbound car driven by Kathleen Scott, 45, of Jonesboro.

Laura McCain, 76, of Prescott was killed Sunday night when struck by a car on Arkansas 19 about five miles north of Prescott. Authorities identified the driver of the car as Marcilla Loomis, 17, of Delight.

Two double-fatality accidents accounted for the other four deaths.

Donald Queen, 17, of Gassville (Baxter County) and Glenn Metz, 18, of Cotter were killed in a one-car accident on Arkansas 126 in Baxter County Saturday night.

Donald Mankin, 33, of near McGehee and Lucille Vick, 39, of Gouge were killed Sunday in a fiery two-car crash on U.S. 65 near McGehee.

Rival Factions in the Howard Hughes Empire Struggle for Control

By TERRY RYAN
Associated Press Writer
LAS VEGAS, Nev. (AP) — Dist. Atty. George Franklin said today he has talked by telephone with Howard Hughes and quoted the billionaire recluse as saying he was simply combining a long-needed vacation with a business trip in the Bahamas.

Franklin said it was a three-way talk, also including Gov. Paul LaRocca.

Franklin was asked, in an interview with radio station KLAC, Los Angeles, if Hughes indicated there was an internal power struggle for control of his big stake in Nevada gambling and possibly his entire industrial and financial complex.

"Absolutely no way. He's the boss period," said Franklin. "He's merely firing a couple of people that were working for him."

Sheriff's deputies searched Hughes' penthouse retreat on the Las Vegas Strip Sunday and reported they found no trace of Hughes. The search was made amid reports of a power struggle among rival factions in the Hughes empire and that Hughes was ailing.

Franklin said his talk with Hughes did not touch on the search.

The sheriff's department reported that a doctor who treated Hughes Nov. 5 said he was too ill to be moved anywhere except to a hospital.

The doctor said Hughes at that time was suffering from pneumonia, anemia and a heart condition and had received blood transfusions, a sheriff's officer said.

Hughes, 64, disappeared Nov. 25 from the penthouse atop his Deco Inn hotel.

Under Sheriff Lloyd Bell, who led a 10-man sweep of the penthouse, said the search was prompted by reports that foul

Truck Strike Could Cut Fuel Flow

CHICAGO (AP) — More than 1,300 Teamsters Union drivers in Michigan and northern Ohio walked off their jobs Sunday night in a strike which could eventually stop the flow of fuel oil in areas from Kentucky to North Dakota.

More than 5,000 other drivers of fuel oil trucks in 13 Midwestern states are considering whether to join the walkout. Contract negotiations broke off Thursday in Detroit between the Teamsters and the Labor Relations Advisory Association, the bargaining unit for the truckers. Negotiations resume here today.

As subfreezing temperatures covered the states involved, oil company spokesmen said the strike—at this stage anyway—will not drastically affect consumers but rural areas will feel the pinch in several days. Fuel oil is one of the most widespread forms of home heating, especially in rural areas.

The affected states are Illinois, Indiana, Iowa, Kansas, Kentucky, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota and Wisconsin.

A spokesman for Standard Oil Co. of Ohio said the company will keep fuel moving despite the walkout of about 700 drivers in the Cleveland area.

Fuel suppliers in the Columbus, Ohio, area said that current supplies of fuel are sufficient for "a few weeks maybe."

Aside from the 700 striking drivers in the Cleveland area and 600 in Michigan, Teamsters across the 13-state area are undecided as to their next move.

Iowa drivers are split on whether to strike. In Milwaukee, an official of Teamsters Local 200 said its 1,000 members will wait and see what happens in the bargaining session today before making a move.

Teamsters bargaining committee chairman Steve Shultz said the union is demanding a \$1.65 hourly raise in increments of 65, 50 and 50 cents over a three-year period. Robert Bray, representing the truckers, said the industry has offered a \$1.65 hike for a 48-hour week.

Tanker drivers currently earn an average of \$4.07 an hour. The previous contract expired Nov. 15.

Missing U.S. Plane Found, No Survivors

SAIGON (AP) — The wreckage of an American C123 transport plane missing since Nov. 27 was found in the mountains of central South Vietnam, the U.S. Command reported today. It said there were no survivors among the six U.S. military personnel and 73 Vietnamese aboard.

A U.S. spokesman said a rescue team dropped to the crash site found no survivors. Recovery operations are continuing there, as well as at the site of another C123 which crashed in the same general area Nov. 29. The other carried 32 Americans and 12 Vietnamese. Two U.S. Air Force sergeants were the only survivors and were rescued Saturday.

Murder Trial at Nashville

NASHVILLE, Ark. (AP) — The jury in the first-degree murder trial of Carl Wesley Dillahunty, 20, of DeQueen is expected to resume deliberations in Circuit Court here today.

Dillahunty is charged with the shooting of Jefferson Hillary Hames, 18, of Horatio during a fight at DeQueen Nov. 4, 1969.

The case went to the jury Friday.

Tight Money Deeply Cuts Farm Loans

By DON KENDALL
AP Farm Writer

WASHINGTON (AP) — A new Agriculture Department report says tight money policies and high interest rates have cut the amount of direct loans to farmers by one-third.

The report says new money loaned by insurance companies, federal land banks and the Farmers Home Administration dropped from almost \$950 million in the first half of last year to \$606.5 million during the same period this year.

The \$606.5 million figure is the lowest amount loaned by the three groups since 1962. It is about half of the 1966 figure of \$1.25 billion — the highest amount ever recorded.

Agriculture Department officials have been saying the total amount of money available for loans to farmers was dropping but this is the first time the department has stated what the reduction is.

Life insurance companies loaned \$134.5 million during the first half of this year—down 56 per cent from a year earlier, the report said. Federal land banks advanced \$471.4 million, a drop of more than 25 per cent.

FHA direct loans dropped from \$8.8 million during the first half of last year to \$560,000 during the first six months of this year.

The FHA's primary business is insuring farm mortgage loans rather than making direct loans. But even this category showed a drop.

Temperatures Are Expected to Climb

By THE ASSOCIATED PRESS
Temperatures in Arkansas are expected to climb near 70 by Tuesday.

The forecast also calls for fair skies and no precipitation through Tuesday.

A high pressure system over the midsection of the nation produced chilly temperatures in the state this morning. The high is expected to drift eastward today with winds becoming southerly and clouds returning to the area.

Highest temperatures Sunday were on the cool side, ranging from 43 at Jonesboro to 55 at Texarkana. Highs today should be in the 50s and 60s. Lows tonight are forecast in the mid 30s to mid 40s.

Overnight low temperatures include 26 at Harrison, 23 at Fayetteville, 25 at Jonesboro, 27 at Pine Bluff, 28 at Texarkana, 29 at El Dorado, 26 at Memphis, 28 at Little Rock and 28 at Fort Smith.

No rainfall was reported during the 24-hour period ended at 6 a.m.

U.S. Is Considering Long Truce in Hopes It Will Be Permanent Khrushchev Caused Fall of Beria

NEW YORK (AP) — Nikita Khrushchev says he engineered secret police chief Lavrenty P. Beria's downfall after Joseph Stalin's death, according to the third installment of the reminiscences attributed to the former Soviet premier.

Georgi Malenkov took over after Stalin died, but the reminiscences published in Life's Dec. 11 issue say this was part of a plot by Beria to build up Malenkov and then discredit him, clearing the way for his own rise to power.

The memoir gives this account:

Soon after Stalin's death in March 1953, Khrushchev tried to persuade Malenkov that he was being led into a trap and proposed that he deal with Beria through the Communist party Presidium.

"Malenkov finally agreed," Khrushchev writes. "I was surprised and delighted. We wrote the agenda for the next Presidium session and included some issues on which the others supported us, and Beria was defeated. This pattern was repeated, and only then did Malenkov become confident that we could use party methods against Beria."

The key meeting took place in June.

"As soon as Malenkov opened the session he said, 'Let us discuss party questions. There are some matters which we must deal with right away.' Everyone agreed. As had been arranged in advance, I requested the floor and proposed that we discuss the matter of Beria. Beria was sitting on my right. He gave a start, grabbed me by the hand, looked at me with a startled expression and said, 'What's going on, Nikita? What's this you're mumbling about?'

"I said, 'Just pay attention. You'll find out soon enough!'"

Most of those present denounced Beria, and Khrushchev then proposed his removal from official posts.

"Malenkov was still in a state of panic. As I recall he didn't

WASHINGTON (AP) — Secretary of State William P. Rogers says the United States is considering a month-long Vietnam truce over the holidays in hopes it will lead to a permanent end of fighting.

A State Department spokesman said Rogers heard Sen. Henry M. Jackson make a similar proposal Sunday on a television interview show and promptly phoned the Washington Democrat to tell of his approval.

Rogers told Jackson the administration has been considering the plan for some time and intends to pursue it, the spokesman said.

Jackson recommended the annual Christmas cease-fire be extended through Tet, the Vietnamese lunar New Year at the end of January.

This would allow Paris peace negotiators to "really get in and dig hard" for a permanent standstill cease-fire, Jackson said.

Jackson appeared on NBC's radio and television program "Meet the Press."

After the program, Jackson said the secretary of state told him a prolonged cease-fire was proposed to the Communists without success a year ago.

North Vietnam predicted recently the United States would again offer a long truce. Hanoi rejected the idea, offering instead a three-day cease-fire at Christmas and New Year and a four-day halt to hostilities for Tet.

South Vietnam has not announced any holiday truce plans yet.

Jackson said a prolonged cease-fire would require guarantees against violations. He added, "I would hope our friends and allies as well as the third, uncommitted world would join in an intensive effort to permanently establish a standstill cease-fire."

A standstill cease-fire was a key element in President Nixon's five-point peace package in October.

Swiss Envoy to Brazil Is Kidnaped

RIO DE JANEIRO, Brazil (AP) — Ambassador Giovanni Enrico Bucher of Switzerland was kidnaped today by terrorists who shot a Brazilian government agent assigned to guard him.

The Swiss Embassy said Bucher was on his way to his office in his car. The car was blocked by the terrorists, the ambassador removed and the agent shot as he attempted to stop the abduction, the embassy reported.

The agent was reported to have been wounded by the gunfire.

It is Brazil's fourth political kidnaping in a rash of such seizures that began with the abduction of U.S. Ambassador C. Burke Elbrick on Sept. 4, 1969, in Rio de Janeiro. He was released after the military government freed 15 prisoners held in connection with politically inspired crimes.

Negro Youth, 11, Held for 2 Burglaries

Hope Police Department reported two burglaries over the weekend and two of them were committed by a 11-year-old Negro youth.

City Officers said the youth entered Overturf's Shoe Store Saturday night through a rear window and took \$100 in half dollars. Sunday night he entered Delaney's Grocery on Second downtown and took a pistol and \$68 worth of food stamps. Officers recovered the pistol and food stamps and \$54 worth of half dollars.

The youth will be turned over to the juvenile authorities for action.

At a laundromat at Village Shopping Center someone broke open a cigarette machine and took an undetermined amount of change, officers said.

Appeal in Riot Case Rejected by U.S. Court

WASHINGTON (AP) — The Supreme Court rejected today an appeal by John W. Smith, a black cab driver whose arrest on a traffic charge triggered five days of rioting in Newark, N.J., in July 1967.

Smith, convicted of assaulting one of the policemen who arrested him and sentenced to two to three years in prison, claimed Negroes, women Newark residents and poor people were systematically and constitutionally excluded from Essex county jails.

The court made no comment in declining, 8-0 to give him a hearing. Smith also challenged the loyalty oath for jurors and claimed adverse publicity deprived him of impartial grand jury proceedings.

In other actions today, the court:

—Allowed the state of California to fire a construction inspector who refused to work on Saturdays for religious reasons.

—Rejected an appeal by a Connecticut clothing salesman who was ordered to active Army duty because he wore his hair long to National Guard drills.

—Refused to review the second-degree murder conviction of an Oregon man who claimed scraping his fingernails for evidence was an unlawful search.

Smith was convicted in 1968 of assault and robbery on Patrolman John DeSimone, one of two policemen involved in his arrest on a traffic charge. Rumors that Smith had died of a beating after the arrest swept through the predominantly Negro Central Ward of Newark and five days of rioting, looting and arson followed. Twenty-six persons died and hundreds were wounded.
